The motion was seconded by Alderman Zeman and carried without dissenting vote. Mayor Brenk declared resolution 2023-0411A adopted.

### **NEIGHBORHOOD COMMERCIAL DISTRICT**

Alderman Boeke introduced Ordinance 507 amending the zoning ordinance to add Section 10A Neighborhood Commercial District.

Community Development Director Larry Remmen stated that the Planning Commission recommended approval of Ordinance 507 without gas stations as a conditional use. Remmen stated that it was recommended by the Community Development Committee to mirror the R-2 District.

Alderman Boeke reminded City Council and the public that the ordinance is not specific to a certain property, it is simply a tool in the toolbox to use for zoning.

A motion was made by Alderman Carlson to approve the first reading of Ordinance 507. The motion was seconded by Alderman Stearns.

Alderman Zeman spoke against a neighborhood commercial district. Zeman stated that neighborhoods are for homes and not commercial businesses, and that Detroit Lakes already has a housing shortage so the residential areas should not be taken away for businesses.

Alderman Josephson stated that neighborhood commercial is a fictitious space at this time and in order to be rezoned, it would have to go through the process of public hearings and meetings to be approved. Josephson stated that he believes that gas stations should be a permitted conditional use in a Neighborhood Commercial District.

Alderman Josephson stated that he believes the ordinance as proposed might be too strict and narrow to even be a benefit to the City.

Alderman Carlson stated that the Planning Commission did a great job of listening to the residents, however, he believes that it is so stripped back that the tool may be too restrictive for developers to use.

Alderman Boeke mentioned that he wished we had this tool sooner, however, Boeke believes that it is so strict that a developer will look at it and find it unusable and move on to another City to build their business.

A motion was made by Alderman Boeke to table the first reading of Ordinance 507, send it back to planning commission for further review, and review it next

month. The motion was seconded by Alderman Josephson and carried without dissenting vote. Mayor Brenk declared the motion approved.

**TIF NO. 26-2

**ORDER ASSESSMENTS  
& SET HEARING  
CAMPBELL AVE AND  
LINDEN LN**

Upon the recommendation of the Public Works Committee, a resolution was introduced by Alderman Zeman, who moved its adoption, ordering the preparation of the assessment roll, and setting a public hearing on the proposed assessments for Campbell Ave and Linden Ln street, stormwater, sanitary sewer and watermain improvements. The motion was seconded by Alderman Josephson and carried without dissenting vote. Mayor Brenk declared resolution 2023-411C adopted.

**ORDER ASSESSMENTS  
& SET HEARING  
SUMMIT AVE**

Upon the recommendation of the Public Works Committee, a resolution was introduced by Alderman Zeman, who moved its adoption, ordering the preparation of the assessment roll, and setting a public hearing on the proposed assessments for Summit Ave street, stormwater, sanitary sewer and watermain improvements. The motion was seconded by Alderman Stearns and carried without dissenting vote. Mayor Brenk declared resolution 2023-411D adopted.

**PER WILLOW  
SPRINGS**

Upon the recommendation of the Public Works Committee, a resolution was introduced by Alderman Zeman, authorizing the preparation of a Preliminary Engineers Report for Willow Springs.

City Engineer Jon Pratt stated the City received a petition from the neighborhood to complete a road improvement only project in the Willow Springs neighborhood. Pratt stated there is a process that has to be followed that takes about 4 months. Depending on the length of the process and approval, the project may be able to be completed yet the year, otherwise it would be next year.

Alderman Zeman made a motion to adopt the resolution. The motion was seconded by Alderman Carlson.

Alderman Josephson stated that at the original meeting, the discussion was regarding the Capital Improvement Plan, not a final decision on whether services would be included in the project. Josephson stated he has a hard time allowing residents to pick and choose the projects that occur in their neighborhoods, especially in Willow Springs. There are failing septic's and Josephson has many concerns about what would happen if the City just did a street project, and then multiple sewers fail and residents start coming to the City wanting services.

Alderman Zeman stated that the City needs to be fair to the neighborhood, the residents do not want services, they just want street improvements.

Alderman Carlson stated that the neighborhood walked away from the meeting in 2021 expecting the project to happen within 18 months. The neighborhood prompted the petition due to the project not occurring yet and many frustrations.

Alderman Carlson also spoke about what the project would look like and would like to see actual costs and scope of the project for the residents. Carlson also spoke about the disrepair of the roadway.

Alderman Zeman reiterated the residents keep stating they do not want City services to their homes.

Mayor Brenk called for a vote, and the motion was carried with one dissenting vote from Alderman Josephson. Mayor Brenk then declared resolution 2023-0411E adopted.

#### **PER SOUTHWOOD SHORE ESTATES**

Upon the recommendation of the Public Works Committee, a resolution was introduced by Alderman Zeman, who moved its adoption, accepting the PER report for Southwood Shore Estates and setting a public hearing. The motion was seconded by Alderman Josephson and carried without dissenting vote. Mayor Brenk declared resolution 2023-411F adopted.

#### **SPECIAL EVENT APP – DETROIT LAKES BASEBALL CLUB**

Alderman Zeman introduced a Special Event Application for the Detroit Lakes Baseball Club Home Games, Summer 2023, at Washington Ballpark.

Alderman Zeman stated that Brandon Johnson of the Detroit Lakes Baseball Club is present. Zeman stated that food trucks aren't allowed on the City Streets unless they are part of a fundraiser or event. Zeman has concerns about the amount of food trucks during events throughout the City and what that does to local brick and mortar businesses.

Alderman Zeman recommended tabling the event application to next month so that discussion could occur regarding the food trucks and the City ordinance.

Brandon Johnson stated that their goal is to engage the community through baseball and support of local businesses. They would like to have 2 or 3 local food truck businesses at each event. The food trucks are not part of a

fundraising event, they are part of the vision to support local business and engage the community.

Alderman Josephson stated that he is not opposed to special events having food trucks. Josephson stated that he isn't opposed to more discussion regarding food trucks, but the patrons should have the choice to decide where they want to eat.

Alderman Josephson made a motion to approve the special event application for the Detroit Lakes Baseball Club. The motion was seconded by Alderman Carlson.

Alderman Zeman stated he is concerned about the amount of food trucks around town during the summer and would like to have a discussion regarding them first.

Alderman Boeke agreed that the Special Event application should be approved, but that discussion should occur regarding food trucks.

Alderman Zeman made a motion to amend the motion, allowing no more than 3 food trucks per event. Alderman Boeke seconded the motion. The amended motion was carried without dissenting vote.

Mayor Brenk then called for a vote to approve the Special Event Application with no more than 3 food trucks. The motion was carried unanimously, and Mayor Brenk declared the Special Event Application approved.
