Test Results

Using the ASTM C1701 calculations, we have determined: _____

Test Location	Time of Test	Water Mass	Size of Ring	Time Elapsed	Infiltration Rate
1	_____	_____	12"	_____	_____
2	_____	_____	12"	_____	_____
3	_____	_____	12"	_____	_____

Upon completion of this Infiltration Test our findings show: _____

Results Summary

Average of Water Mass	Average Time Elapsed	Average Infiltration Rate
_____	_____	_____
