\_\_\_\_\_

And request that the City prepare or cause to be prepared a preliminary engineering report (“PER”), and assess the entire cost of the improvement project against our properties described herein. The PER will serve as a feasibility report to determine whether the proposed improvement is necessary, cost-effective, and feasible and as to whether the proposed improvement should best be made as proposed or in connection with some other improvements. The report will also include the estimated cost of the improvement as recommended. We hereby agree to pay the cost of preparing the PER and the entire cost as apportioned by the City, not to exceed \$ \_\_\_\_\_.

EACH OWNER FURTHER AGREES, in consideration of the City action at our request to cause construction of the above-described improvement, to pay such sums as may be determined by the City to be a fair and reasonable apportionment of the entire costs of said improvement, as identified by the PER.

OWNER EXPRESSLY WAIVES OBJECTION to any irregularity with regard to the making of the improvement or assessment of the cost thereof; waives any claim that the amount thereof levied against owner’s property is excessive; and waives all rights of appeal in the courts. The Owner further waives any rights of objection and the need for public hearings, as may otherwise be provided pursuant to Minnesota Statutes, Chapter 429.
