1. INTRODUCTION

The City of Detroit Lakes is interested in receiving proposals from architects that possess qualifications to provide full A/E design and construction services for a proposed new Detroit Lakes Police Department Facility. Interested firms must submit their proposal by 2:00 pm on Friday, April 5, 2019.

2. PROJECT DESCRIPTION

The proposed project includes construction of a new Police Department Facility on a site located at the intersection of Summit Avenue and Front Street. The project will include office space for administration, investigations, and patrol, space for evidence processing and storage, garage space for vehicle storage, a parking lot, driveways, site work, and utilities. The estimated gross square footage of the building is 17,820 square feet. The budget for this project is $6,700,000. The facility improvements and parameters are based on a space/needs assessment and recommendations prepared by BKV Group in 2017, which is available for review at the City website: www.cityofdetroitlakes.com/police

3. SCHEDULING

The project development schedule is as follows:

- Complete Preliminary Site and Building Layout: August 2019
- Complete Final Design: November 2019

The following tasks will be dependent on the Detroit Lakes City Council to proceed:

- Site Preparation: Fall 2019
- Construction: Spring 2020 to be completed Winter 2020/2021

4. PROJECT SCOPE

The firm selected shall provide complete A/E design and construction related services through completion of the project construction. The scope of services shall include
preliminary site/building layouts, final design, preparation of construction documents, (plans, specifications, bidding and contract documents, etc.), bidding administration, and construction administration for the following:

- Architectural
- Structural Engineering
- Mechanical Engineering (Plumbing/fire protection/HVAC)
- Electrical Engineering (Including low-voltage rough in)
- Furnishings, Fixtures & Equipment (FF&E) design and specifications
